stem his influence. Instead, Ike dealt with McCarthyism indirectly. While McCarthy was on television accusing everyone from Hollywood directors to Army officers of being communist, Eisenhower took steps to enhance American quality of life. ~~Although~~ ^{Doc H} A Commerce Department document revealed that gross national product, life expectancy & government spending all increased during the Eisenhower administration. One of Eisenhower's most lasting contributions was the construction of the Interstate Highway System. With the emergence of such successful, unprecedented public works programs, the Red Scare ended, & Americans began to feel a bit more secure.

The "Space Race" competition for arms & technology was another consuming fear of many Americans during the Eisenhower administration. ^{Doc F} A 1958 cartoon by legendary artist Herblock revealed that ~~maintaining~~ Eisenhower was quick to cut spending on many social welfare programs in order to assure US military superiority. During Eisenhower's administration one of the largest peacetime military buildups in history ~~helped~~ gave the American people confidence in our ability to "nuke the commies" ^{Doc E} → fallout shelters, like the one featured in Life.
